 Kan man byta sladd? Ja
 Strömbrytare på kabeln
 G9, Max. 40W, Ljuskälla ingår ej

Område: Inomhus
 Energiklass A++ - E

The innovative and playful design makes Josefine a decorative and modern series. The stringent tube contributes to an industrial look, which complements a rough and modern decor. In contrast to the industrial expression are the beautiful brass details and soft shapes, which result in an incredibly decorative series that balances minimalism and elegance in the finest possible manner. Furthermore, the Josefine series allows for personality in the use of decorative lights, illuminating the room in the finest manner imaginable.
